Issues Identified	Update
ALLEYWAY - Weeds and rubbish in the back alleyway	Our Property Team will clear the area, remove the weeds and complete a litter pick by the end of October. There is no grounds maintenance service charge at this scheme; however, our Property Team will carry out this one-off work to help keep the area clean and tidy. Any fly-tipped items that can be linked to an address will be referred to our Housing Team, who will contact the relevant residents.
RENDERING - Red marks on the rendering of multiple houses	This has been passed to our Painting and decorating contractor.
FRONTS – It was noted that several properties had large, overgrown bushes or shrubs at the front. Items, including chairs, had also been left outside some properties.	This has been passed to our Housing Team to address with the relevant residents.

All the above is being monitored to ensure that the issues raised are dealt with however do contact us if you wish to discuss any of the above in more detail or if you are not happy once we have completed our actions.
