Scheme Walk About – Marne Place

Date Completed: 23rd September 2026

Residents in Attendance: 3

Results

Issues Identified	Update
PARKING ISSUES - Parking issues on the scheme, when the football team across the road play. Also reports that some residents park over pavements and kerbs making it difficult for some residents to access their driveways.	Residents are advised to contact us when the issue occurs and if possible, provide photographs so we can see the extent of the disruption caused by the football traffic. We will contact residents who reported issues with access to their driveways direct, to discuss this further.
HEDGES - Reports that the hedges at the back of the scheme need cutting back.	The hedges at the back of the scheme are on Hulton Abbey Park. This is owned by Stoke on Trent City Council and not the Society. Residents are encouraged to report this to the council; this can be done online: Problems in my neighbourhood | Stoke-on-Trent
PAINTING – Enquiry to if the front of the houses can be painted?	The fronts of the houses were last painted in April 2021. They are not due to be done again yet, however they will be covered under the cyclical works programme over the next couple of years.

All the above is being monitored to ensure that the issues raised are dealt with however do contact us if you wish to discuss any of the above in more detail or if you are not happy once we have completed our actions.
