

SCHEME WALKABOUTS

Scheme walkabouts can help us to build stronger communities where tenants can lead on or identify issues that may be cause for concern and so help improve the area in which they live. During these walkabouts we want to encourage and support tenants to identify areas such as:

- Repairs or minor improvements to external and communal areas.
- ASB or crime-related issues.
- Fly-tipping.
- Parking and abandoned vehicle issues.

We want you to take pride in your area and to work with the Society team and other tenants within the community, to make the area safe and a well-maintained place to live. The walkabout will help us to:

- Target areas of concerns.
- Promote ways for you to become involved in scrutinising and shaping Society services.
- Identify improvements including opportunities to reduce anti-social behaviour (ASB).
- Work in partnership with other services.

Who can attend a walkabout?

Any tenant or leaseholder of a Society home can join a scheme walkabout. If you would like to attend, please just meet at the spot and time specified. Officers from other organisations, such as the local council or the police could also attend.

If you would like more information email info@stokeontrenthousingsociety.org.uk or call 01782 968566.

Our latest Scheme Walkabout schedule can be found on our webpage at www.stokeontrenthousingsociety.org.uk/properties/be-an-involved-tenant
