

# SCHEME WALKABOUTS

Scheme walkabouts can help us to build stronger communities where residents can lead on or identify issues that may be cause for concern and so help improve the area in which they live. During these walkabouts we want to encourage and support residents to identify areas such as:

- Minor improvements.
- ASB or crime-related issues.
- Fly-tipping.
- Parking and abandoned vehicle issues.

We want you to take pride in your area and to work with the Society team and other residents within the community, to make the area safe and a well-maintained place to live. The walkabout will help us to:

- Target areas of concerns.
- Promote ways for you to become involved in scrutinising and shaping Society services.
- Identify improvements including opportunities to reduce anti-social behaviour (ASB).
- Work in partnership with other services.

If you would like more information or to let us know that you are coming to a walkabout you can contact the Housing team by emailing [info@stokeontrenthousingsociety.org.uk](mailto:info@stokeontrenthousingsociety.org.uk) or by calling 01782 968566.

Our latest Scheme Walkabout schedule can be found on our webpage at [www.stokeontrenthousingsociety.org.uk/properties/be-an-involved-tenant](http://www.stokeontrenthousingsociety.org.uk/properties/be-an-involved-tenant)
